

Musicians' Needs Focus Group

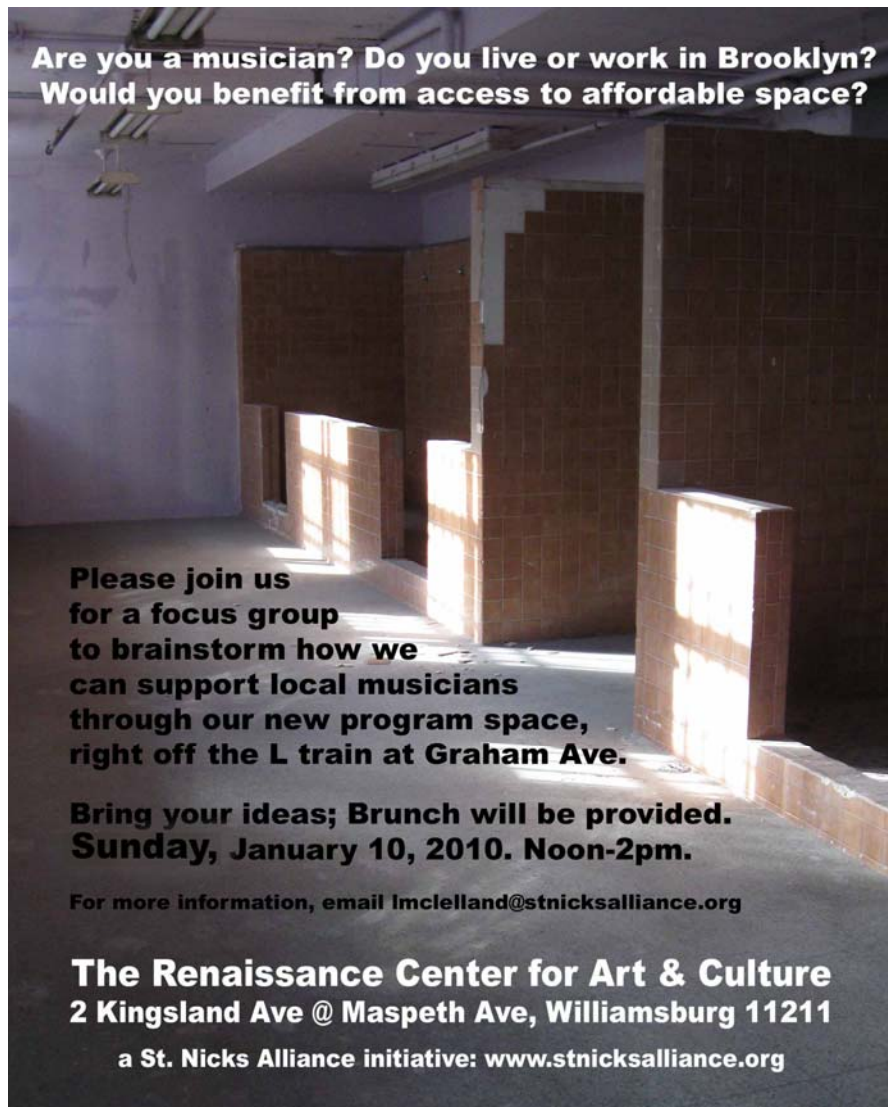

St. Nicks Alliance is starting a new initiative to serve artists in North Brooklyn and we need your help!

Sunday, January 10th from 12-2pm we will be hosting a focus group for musicians and those working with musicians to discuss options for the new Renaissance Center for Art & Culture, which will hopefully include affordable rehearsal and performance space for musicians. We will be taking a tour of the space, talking about ideas, and serving brunch. We need to hear from musicians about their needs to make this a reality.

If you cannot attend the focus group, you can still provide feedback by filling out a short survey. Just follow the link below:
